DREAMACTIVIST.ORG - 1-800-596-7498 - MEDIA@DREAMACTIVIST.ORG

To Prospective Applicants

Dreamactivist.org started as a blog and action center directed at aiding organizations, communities and individuals to come together and find new ways to achieve passage of the Dream Act and other pro-migrant reforms. Since December 2008, we have evolved into the main online communication network for the United We DREAM coalition of over 40 different organizations and growing.

The DreamActivist network is ran and controlled entirely by undocumented students. Currently, we are looking for undocumented students and allies to serve as local, regional and state representatives for the movement.

Our mission statement, short and long term goals are clarified at <http://dreamactivist.org/about/>. If you agree with our basic tenets and goals, please consider becoming part of the movement.

Job Description

- Act as a liaison for DREAMActivist in the local community, region, and/or state
- Research and/or be up to date with immigration-related activities and news in specific state in order to keep our Regional FAQ current.
- Attend conference calls at least once a month
- Attend local community events or group meetings on immigration
- Integrate and connect other local students into the network

College degree or attendance is a plus but not mandatory. The tasks shall not amount to more than 5-10 hours per week. Furthermore, representatives should be proficient with e-mail and social networking tools like Facebook or willing to learn.

Perks

Positions are not monetarily compensated but each member would gain valuable experience in organizing, communication and networking and be in the loop with the latest that goes on within the pro-migrant movement.

Representatives would also get to work with the 'Who's Who' in the movement for immigration reform, and get the opportunity to attend workshops and conferences. There may also be several opportunities within the year for meeting, forging friendships and critical alliances with other organizations.

Applications are due no later than March 31, 2009. See the application form for more details.

Sincerely,

UNITED WE DREAM
